Celebrate Galentine's Day at The Abbey!

The most special day of February will be here before you know it. It's a day full of love, fun and appreciation for each other. No, we're not talking about Valentine's Day – it's the other red letter day of the month...Galentine's Day! Never heard of it? Galentine's Day falls on February 13th and is the celebration of your friendships with the ladies in your life. It's all about the girls! Whether you're staying with us over the holiday weekend or looking for a few hours of fun, grab your best gal pals and celebrate with a lineup of activities guaranteed to keep you smiling.

Kick off the festivities on Friday, February 12 during Happy Hour at Bar West where you can indulge in a menu of half-price drinks, show off your trivia skills and create your own Galentine's souvenir during our [Wine Glass Painting](#) session. After that, make your way to 240 West and savor a special three course [Galentine's menu](#) featuring Filet & Lobster (yum!) Close out the night with specialty cocktails from Waterfront or s'mores and laughs under the stars at our bonfire.

Get started in the right frame of mind on Saturday with [Yoga & Mimosas](#). Center yourself by the crackling fire of the Sandbar then follow it up with a tasty mimosa and great conversation. After a little free time where you can hang out by the pool, explore Lake Geneva or do some shopping in our Waterfront Gift Shop, head to our iconic A-frame to make a [DIY Wood Sign](#) to commemorate the occasion. Of course, no sign painting event is complete without a glass of wine to pair with it, right? Looking to learn a new skill? Join us at our [Cocktail Creation class](#) where you can learn to make four different craft cocktails. Impress your friends with your newfound mixology skills at your next get-together! We have another [amazing menu](#) created for you on Saturday night featuring a delicious Mixed Grill that's sure to tickle your taste buds.

Create the perfect itinerary for you and your friends by attending all or a few of the Galentine's Celebration events. Check our [website](#) for a complete schedule.
